It's Amazing What We Can Do Together!

Community Impact Partnership Opportunities 2027

Catholic Charities Chemung/Schuyler and Local Community Partners

Catholic Charities
Chemung & Schuyler

Catholic Charities is seeking local community partners to strategically collaborate in 2027 to make a greater impact for good in our communities. The goal is to create a unique opportunity for your business, church, civic organization or family group while helping our neighbors in need.

Sponsorship opportunities for our Annual Empty Bowls Event and our Inaugural Golf Tournament are available, as well as opportunities to bring your team together to volunteer or host a drive. Bags of HOPE Drives focus on the most needed items at the time for your chosen focus area. Whether that's hygiene items for victims of domestic violence or start-up kits for families moving out of homelessness, there are always needs in our programs - items that funding doesn't cover.

Your Partnership Changes Lives

- Individuals and families receive nutritious food through the Samaritan Center Food Pantry
- Community members gather for meals and connection through the Elmira Community Kitchen
- Survivors of domestic violence receive support and safety planning
- Individuals experiencing homelessness receive housing assistance and support services
- Families facing crisis receive emergency assistance and referrals

Every sponsorship, volunteer hour, and donation directly helps our neighbors in Chemung and Schuyler Counties build stability, hope, and a brighter future.
